

TOUCHDOWN BOUND was Tom Hamilton, a Lincoln-Way halfback when this shot was made. Hamilton ran 64 yards for the Knights only touchdown against Flossmoor. The kick was good for the extra point and the two points for a safety gave Lincoln-Way a total of 9. Tough part was that Flossmoor made 33.

NO THOROPARE the Knights are saying in effect to Flossmoor. That No. 64 coming in for a shoulder landing is Jim Farmer, one of the Vikings backs. No. 21 is Van DeLay, of Lincoln-Way, a backfield man, and No. 86 is Howard Grimes, an end. No. 63 is Flossmoor's Ron Marsh who scored three touchdowns for the Vikings.

TAKES SHORT-CUT thru the line here is Howard Grimes, No. 86. That Viking wearing No. 60 is Bruce Calvert, a back, and No. 94 is Tom Bowman, a center. No. 20 is Tom Hamilton. The other two Lincoln-Way players in the picture are Mike Delaney, No. 62, a guard, and Larry Resutko, No. 12, a back.

Mokena Village Board Revising Ordinance File

Mokena is to have a superintendent of streets and bridges and also establish the office of village collector, according to ordinances adopted at the board meeting last week. The measures were brought up in the course of the board move to modernize the ordinance file.

It was indicated that the street and bridge superintendent and the collector would be board members.

Trustee Hans Mueller has received several requests that two-way traffic be restored on Midland avenue between Carpenter and Third streets, Midland ave. is one-way north,

from Front street to Third. No action on the matter has been taken yet.

George Helgersen, owner of some apartments on Wolf road, was given an adjustment on his waterbill, to make it conform to the average he had been paying. Helgersen complained that because of rust in the mains his tenants have been letting the water run in an effort to clear it out and as a result his bill had skyrocketed.

Twelve water users reported delinquent in their payments were sent 10-day notices. This means, it was explained, that if the bills were not paid within

Rev. Riemann To Celebrate 50th Year In Ministry

Dr. Karl Meyer, brother-in-law of Rev. William J. Riemann will preach the anniversary sermon for Rev. Riemann Oct. 13, at St. John's church. The Rev. Riemann will have been a minister 50 years.

Fred Lehmann To Operate Mokena C. of C. Office

Fred G. Lehmann, retired from Commonwealth Edison, secretary of the Mokena Lions club for many years and active in community affairs, had been named executive secretary of the Mokena Chamber of Commerce.

As such he will attend meetings of the Chamber and its board and also occupy the quarters the Chamber has taken at 11003 Front st., which it is renting from Roy Richardson. The office will be open daily Tuesday thru Saturday, from 10 a.m. to noon and from 1 to 2 p.m. Mr. Lehmann will be available to visitors at those times and will also conduct the cor-

respondence of the Chamber of Commerce.

It is the hope of the Chamber of Commerce that eventually as a result of this correspondence and personal contacts that commercial and industrial firms will become interested in Mokena as a site for their enterprises.

The office too will serve as an information center for visitors and newcomers to the community.

Mr. Lehmann himself is interested in promoting the growth and welfare of Mokena and his selection by the Chamber of Commerce meets with public approval.

Vikings Beat Knights, 33-9: Homecoming Next

By GREGORY FANT
The Vikings of Homewood Flossmoor, led by the running of fullback Ron Marsh and halfback Bill Tompkins, rolled over the Lincoln-Way Knights by a final score of 33-9.

The Knights drew first blood when an attempted punt by Toby McAfee was blocked by Mike Delaney and rolled into the end zone for an automatic safety.

The Vikings came back on runs by Ron Marsh of 58 and 19 yds. to take a 14-2 lead. Tom Hamilton then scored for the Knights on a 64 yd. touchdown run to make the score 14-9. Just before the half, however, the Vikings recovered a Knight fumble and Marsh scored on a 66 yd. run just as the half ended to make the score 20-9, Homewood.

Homewood scored again in the third quarter on a two yard plunge by Marsh. Bill Tompkins tallied the final Viking score on a run of 97 yards around left end.

Homewood made all their yardage on the ground, running for a total of 466 yds. The Knights gained a total of 163 yds, rushing and 30 yds, passing. Homewood was penalized for a total of 50 yds., the Knights

for five.

Homewood made it a sweep for the day as their sophomore and freshman teams scored 26-6 and 14-7 victories respectively over the Knights. The sophomore Knights scored on the final play of the game as Dave Braley threw a pass to Bob Bowser for 42 yds.

The Knights play host to Evergreen Park this week in their Homecoming game, try-

ing for their first conference victory of the year and more important, their first Homecoming victory in the history of the Knights. Evergreen Park has an 0-3-0 record to put them in a seventh place tie with the Knights.

Score by quarters:
1 2 3 4 T
Knights 2 7 0 0 9
Homewood 7 13 6 7 33

Outline PTG Meetings For Coming Year At Lincoln-Way

Approximately 500 parents attended the first regular meeting of the Parent-Teacher Group on Wednesday of last week. The program was the annual "Back to School Night" where parents return to school to follow the schedule of their son or daughter thru a typical abbreviated school day. Such a program provides the parents with an opportunity to meet all the faculty, including the 14 new teachers added to the staff this year. It also gave the group a chance to see the crowded and emergency areas of the building now being used while waiting for the completion of the new addition.

The Future Teachers of America, under the sponsorship of Mrs. Della Hussey, and Art Mackay, served as official hosts and guides for the evening. They also served refreshments in the course of the evening.

A great deal of interest and enthusiasm was shown toward programs of this caliber along with the projected program for the five remaining meetings during the school year.

The program committee, under the direction of Vice President James Brooks of New Lenox, submitted the following program for the remainder of the year: Nov. 6: panel presentation on "Student's Mental Attitude for the Future". Panel members will be Eldon Miller, training supervisor, Caterpillar Tractor Co., Joliet; Mrs. Helen Tea, director of nurses, Silver Cross Hospital, Joliet; Mrs. Lillian Lynch, staff supervisor, Illinois Bell Telephone Co; Dean Elmer Rowley, Joliet Junior college.

The Dec. 4 meeting will present part II of the panel discussion, "Post High School Emotional Help". Panelists will be the Rev. Gervase Brinkman, O.F.M., Catholic chaplain at Stateville penitentiary; Dr. John Cutler, superintendent of the Tinley Park Mental hospital, and the Rev. Robert Gibson, Jr., pastor of the First Presbyterian church, Joliet.

The Feb. 5 meeting will feature a panel discussion by the area foreign exchange students. Speakers will be the present Lincoln-Way foreign student, Lars-Ake Lindholm from Sweden; Miss Jeanine Peters, Lincoln-Way senior from New Lenox who spent the summer in Europe; Miss Beverly Guilden-zoph, presently a freshman student at Illinois Normal University who spent the summer in Europe; and M. Eugene

Peters, exchange student parent.

On April 1, Dr. Claude Otto and the Rev. James Parker, both of Frankfort, and Dr. Theodore Polley, Mr. and Mrs. A.D. Draper, Joliet, will present a program on "Sex Education".

The May 6 meeting will feature an open house by the Lincoln-Way vocational department.

PTG officers for this year are Dr. Joseph Petmich, Mokena, president; Mr. Brooks, New Lenox, first vice president; Eugene Peters, New Lenox, second vice president; Mrs. Yrma

Wonders, Manhattan, secretary; Mrs. William Stoner, New Lenox, Treasurer; Robert Taylor, New Lenox, school representative.

Area representatives are: Mrs. Patricia Kronick and Mrs. Clarence Lauffer, Arbury Hills; Paul Lambrecht and Glenn Schroeder, Frankfort; Mrs. Charles Jones and Mrs. Lyle Koester, Lincoln Estates; Mrs. John Hartnell and Mrs. Clarence Jorgenson, Manhattan; Mrs. Royal Corp and Mrs. William Schwab, Marley; John Porick and Mrs. Kenneth Sherwood, Mokena; Mrs. Donald Lewison and Mrs. Earl Moss, New Lenox.

New Note In High School Competition Mathaletes

Last spring a group of Lincoln-Way and Rich East high school math teachers decided to do something about recognizing outstanding mathematics students. They formed the Interscholastic Mathematics Contest to provide a wholesome meeting group for stimulating interest in math.

On Sept. 20, this group of teachers held the second contest at Lincoln-Way.

Three classes of competition were available to the

"mathaletes", including two divisions of written problems and one unique division or oral competition. The latter consists of student solving a complex problem in his head without the aid of pencil and paper.

Instrumental in creating this competition for flexing the brain cells were the following: Charles Cummins and Cadet Cottingham, from Rich East; and James High, Della Hussey, Stephen Ivens, and Norman West of Lincoln-Way.

Kerner Frees Funds For Tinley Hosp. Expansion

(CNS) Gov. Otto Kerner last week approved the release of \$2,520,318 from the public welfare building fund for construction of an intensive treatment building at the Tinley Park state hospital, under control of the Illinois department of mental health.

Following are the low bidders, who will probably be awarded contracts within ten days, according to Dr. Harold Visotsky, director of mental health:

General work, S.N. Robbins company, Chicago \$1,549,600, Heating, William Ziegler and

Son, Inc., Round Lake, Ill., \$428,000.

Plumbing, Thomas J. Prendergast, Chicago \$100,000.

Ventilating, McGrath Heating and Air Conditioning Co., Chicago, \$69,696.

Insulation and pipe covering, Brand Insulations, Inc., Chicago, \$58,603.

Electrical, Harmon Electric Co., Chicago \$197,669.

Elevators, Trimon Elevator Co., Inc., Chicago, \$30,350.

Parking area and roadway surfacing, Gallagher Asphalt Co., Thornton, \$77,400.

They Said Those Darn Bushings Wouldn't Last

Had any of the participants in the Case of the Pump With the Rubber Bushings that shook Frankfort 31 years ago been present at the village board meeting Monday night they would have had their innings.

They said 31 years ago when the then village board purchased the pump that those bushings wouldn't wear and Monday night's proceedings shows they were right. Village Clerk Walter Pfaff who sandwiches care for the well pumps that serve the village water system with his other duties, reported to the board that the bushings have had it and that it is now time to repair the pump.

This will be the first time that the pump has had to be pulled and repaired. Other pumps and some of those who fought against installing the new fangled pump with the rubber bushings are no longer in service but with some repairs it is expected that the old pump will be going again. The board hopes for another 31 years.

"Gymkhanna"

The New Lenox Riding Club will hold its annual "Gymkhanna" (play day on horseback) Sunday, Oct. 13 at the 4-H Field, New Lenox. The horse show will begin at 9:30 a.m.

There will be classes for english and western horses, ponies, pets, speed events, costume classes and halter.

3 Hospitalized In 2 Car Collision On 143rd St.

Three persons are hospitalized as a result of a two-car collision Sunday evening at 143rd street and Bell road, Homer township.

The driver of one car was a 15-year boy, James Troutman, of 143rd st near Reed school. The other driver was Raymond Myrick, 67, a retired electrician, 66 9964 W. 144th st., Orland Park. The passenger in Myrick's car was Mrs. Ruth Hirschauer, Rt. 1, Lockport.

State police of Dist. 5, Joliet did not have details of the crash as of late Monday as troopers were unable to question either driver.

The boy, whose age is under

that prescribed for youthful drivers by state law, is in the intensive care section at Silver Cross hospital where he was taken in the Goodale ambulance. He has multiple injuries.

The occupants of the other car were taken to Christ Community hospital, Oak Lawn, the woman in the Northwest Homer fire department ambulance and Myrick by the rescue squad of the Orland Park fire department.

At the hospital both were carried on the critical list. Mr. Myrick was later transferred to St. Luke-Presbyterian hospital Chicago.

THREE INJURED SERIOUSLY when cars smash on 143rd st. near Bell road last Sunday evening. Orland Park Fire Chief Art Granat is the man (bareheaded) in the center, talking to the 15-year-old boy driver who was involved in the crash. The car in the foreground was the one driven by Raymond Myrick, Orland Park. Myrick, a companion, and the boy are all hospitalized.

Eliminate Fire Hazards, Firemen's Plea To Public

Each year at this time Fire Prevention Week is observed thru all the states of the nation. Sponsored by the National Bureau of Fire Underwriters

and all the fire departments - volunteer and paid - Fire Prevention Week is devoted to emphasizing to the public that most fires are born of carelessness

Education of the public as to what constitutes fire hazards and how to eliminate them is a year round task, fire fighters

agree, but they point out that Fire Prevention Week is a good time to start it. The volunteer fire departments in the region have been

carrying the message to children and adults thru talks at schools and various organizations meetings. Keeping premises free of

flammable waste and debris, including paper and odds and ends of lumber is important, it was pointed out - as the less fuel fire has to feed on the less chance there is of fire.

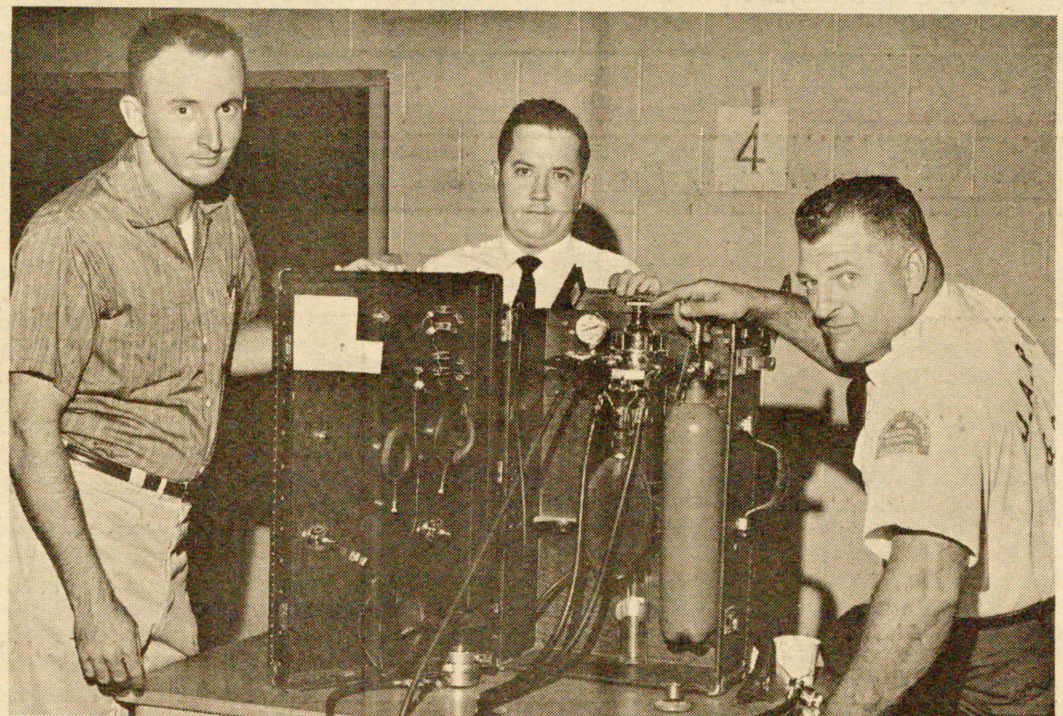

FRANKFORT FIREMEN: (left to right) first row, Don Schroeder, fireman; James Maloney, engineer, Robert Trump, assistant chief, Fred Kohlhaugen, chief; Lynn Kohlhaugen, assistant chief; back row, Clyde Reils, fireman; Leonard Gromnicki, George Zwolinski and Howard Woodman, engineers; Raymond Jadczan, Norman Hossbach, firemen, and Ed Hill and Bruce Wells, engineers. (Graphic Newspapers photo)

ORLANDO PARK FIREMEN: (left to right) first row, Lt. Jerry Klotz, Capt. Granat; Asst. Chief Art Granat, Lt. Des Garmon, Lt. Kenneth Apel; second row, Frank Franc, William Young, Clarence Schultz, firemen; Ed Maloney engineer; Mel Ballous, George Majdak, Dorsey Townner, firemen; third row, Joe McNamara, fireman; Eugene Feithen, engineer; John Pekau, White Lew, firemen, and George Hossman, engineer. (Graphic Newspapers photo)

NEW LENOX FIREMEN: (left to right) first row, Joe Ingram, Jim Smithson, Tom Williams, firemen; Dale Krohn, engineer; Ken Hossack, Glen Krohn, firemen; second row, Lt. Robert Klausling, Capt. Ed Pjersing, Capt. Gene Krohn; Chief Otto Bormet; 1st Asst. Chief Dale Drake; Capt. Wade Krohn, Lt. George Ellis; back row, John Lektorich, David Novak, Dale Anderson, Hickey Norton, Robert Randolph, Richard Lusciatti, Ronald Gillette, Ike Moore and Joe Wilmsen, firemen. (Graphic Newspapers photo)

MOKENA FIRE DEPARTMENT sends man to Fireman's school held at Oak Forest. At the left is Fred Rauch, Jr., of the Mokena department and with him are two of the instructors, Jack Renaldi and Jack Lee. The equipment shown is an inhalator. Firemen trained in the use of this device save many lives every year. Members of the department were not on hand when the photographer was at the engine house. (Graphic Newspapers photo)

Green Garden

Snip 'N Snack 4-H's Elect Their Officers

MRS. KATHARINE HEISNER Telephone: 469-5187 The Green Garden "Snip 'n Snack" 4-H club met at the Green Garden town hall Sept. 21. Officers elected were: Carolyn Patz, president; Arlene Sangmeister, vice president; Jeannie Borms, secretary; Sherry Dralle, treasurer; Jean Heisner, reporter; Pat Morrison, music; Barbara Kestel, recreation; Suzanne Nagel, program; Leah Borms, parliamentarian; Susan Lauffer, good cheer; Sherry Dralle, federation, alternates, Pat Morrison and Sandy Nagel; Mr. and Mrs. Louis Ebert, father and mother. Sharon Homerding sponsored a game called "air relay." Important dates coming up are: Nov. 6--style show; Nov. 22--achievement night; Dec. 23--honor roll banquet.

Next meeting will be held at the Ralph Dralle home, Oct. 12.

A officers meeting of the Green Garden "Snip 'n Snack" club was held at their leaders, Mrs. Norman Krapf, home Sunday, Sept. 29.

Committee chairman picked were: Sherry Dralle, fire prevention; Susan Lauffer, electrical; Carol Torok, citizenship; Gloria Heisner, people to people; Bonnie Lauffer, health; Pat Morrison, music; Barbara Kestel, recreation; Suzanne Nagel, program; Susan Lauffer, good cheer; Kay Canivino, window display; Leah Borms, tour; Gloria Heisner, auditing; Jo Van Rheeden, day camp.

A bake sale will be held Nov. 16. Dues are \$2.00 a year.

The Always Faithful class of the Green Garden Methodist church is sponsoring a rummage sale in the church parlor Tuesday, Oct. 22 at 9 a.m. The public is invited to attend.

On Friday at 1:30 p.m., Mrs. Gilbert Voss of Joliet will entertain the Green Garden Homemakers Unit members at her

home. Roll call is "My Favorite Quick Meal." Mrs. Harold Scheer and Mrs. William Schram are in charge of the major lesson, "Adults Can Help Youth With Today's Problems" and the minor lesson chairman will be Mrs. Henry Morris with the topic, "An Unusual Christmas Gift."

The next session of the combined study group of the Green Garden Methodist church and St. John's church of North Peotone will be held Oct. 7 at 7:45 p.m. in Green Garden church. Two movies will be shown: "Past Records and Present Predicament" and "Counting on God." Anyone from high school age and up is welcome.

Former Mokena

Girl Married In California

Mr. and Mrs. Ralph Stahl, 5219 Monte Vista, Los Angeles, Calif., (formerly of Mokena) announce the marriage of their daughter Marge Karcz to Earl Wood of Los Angeles. The ceremony took place Saturday, Sept. 28 at 9 a.m. in the First Presbyterian church of Highland Park, Calif.

Attendants were Mr. and Mrs. James White of Highland Park. A buffet luncheon was served following the ceremony and a reception was held for the immediate families and friends at the home of the brides parents. The newlyweds left on a wedding trip to Nevada and upon their return will reside at 5219 Monte Vista, Los Angeles.

Lincolnwood

DOLores ANDERSON 485-3651 Mr. and Mrs. Ralph Oldt motored to Charleston, Ill. last week to visit with their daughter Sandra, who is a freshman student at Eastern Illinois university, for Parents Week-end.

Mr. and Mrs. Roy W. Peterson and Janice and Ricky motored to St. Louis, Mo. over the week-end where they visited with their daughter and sister Carol, who is a student nurse at the Lutheran Hospital there.

Members of Boy Scout troop 41 with their scoutmaster, Ed Johnson enjoyed a week-end camp-out at Kankakee State Park.

Junior Girl Scout troop 333 with their leaders, Mrs. Evelane Meyers and Mrs. Betty Malloy enjoyed a camp-out Friday night at the Ronald Crisman home.

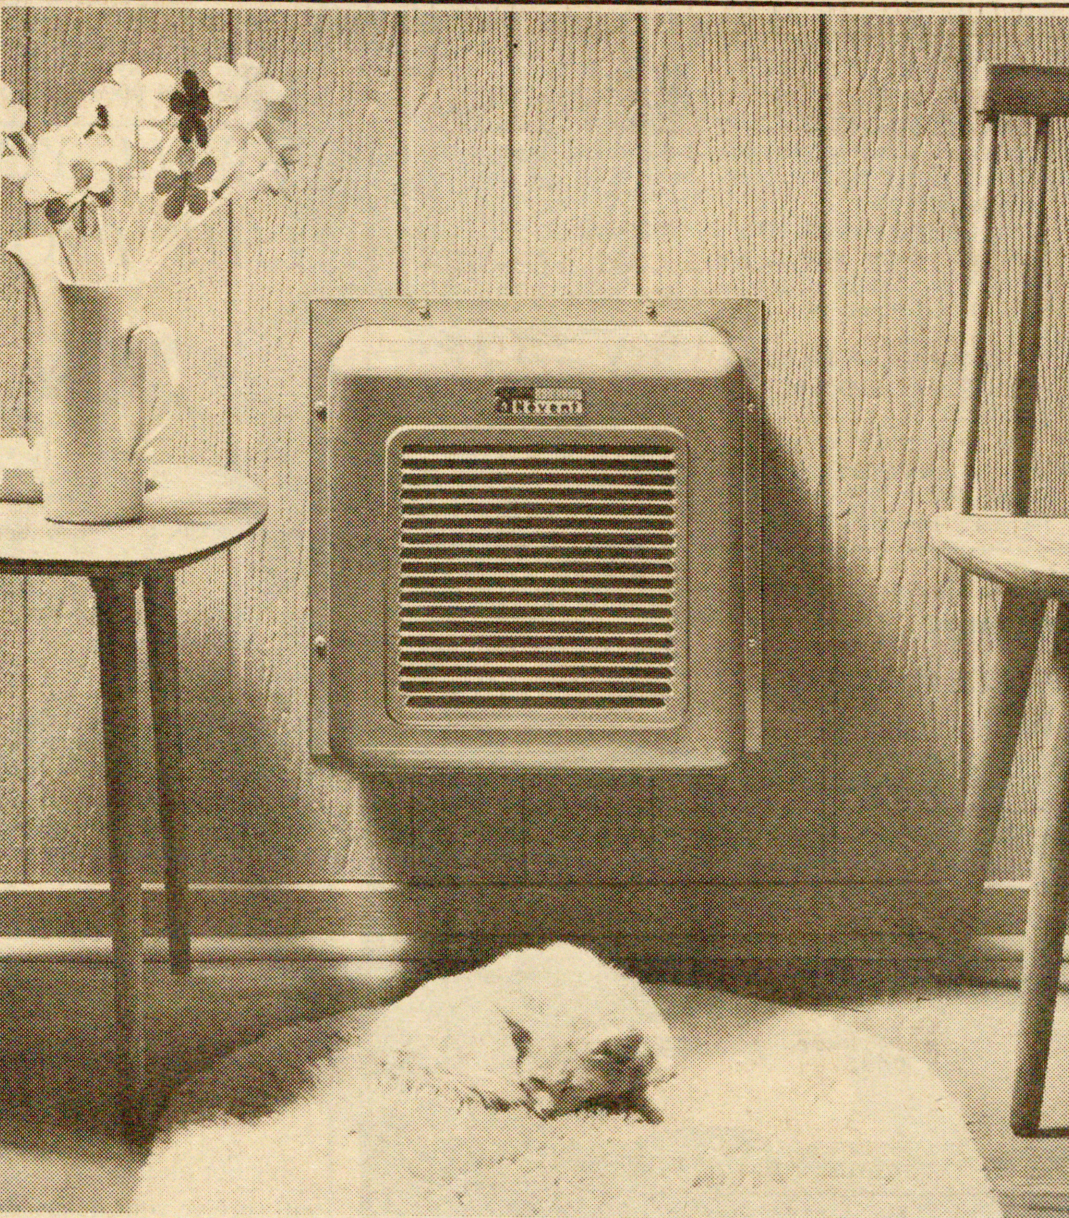

The troop will meet Tuesday afternoon at 4 p.m. at the Schmuhl school for their regular meeting.

BIRTHS

SILVER CROSS HOSPITAL Births at Silver Cross hospital during the month of September. From New Lenox: Mr. and Mrs. Morris Wade, 127 First st., boy; Mr. and Mrs. Frederick F. Van Ham, 248 S. Cooper rd., boy; Mr. and Mrs. James Wirt, 121 S. Cooper rd., boy; Mr. and Mrs. Kenneth Dent, 333 Spencer rd., boy; Mr. and Mrs. Thomas A. Goodwin, 155 N. Wood st., girl; Mr. and Mrs. John J. Saragossa, R#1-Box 39, girl; Mr. and Mrs. Neil Neumann, 320 W. Maple, girl; Mr. and Mrs. Richard H. Carlson, 141 Pleasant st., girl; Mr. and Mrs. Larry Wilson, Lenway Plaza, boy; Mr. and Mrs. Harry Clemens, 131 Maple Lane, girl; Mr. and Mrs. Kenneth Hossack, 136 Second st., girl.

Fire Prevention Week

We are now in the midst of Fire Prevention Week and it is a good time for all of us to pause in what we are doing and give a thought to care with fire.

There are many fires -- too many -- that need never have happened. A little care on the part of all of us can reduce our tragic fire toll in lives and property destroyed.

On the average approximately 1,000 fires start in homes each day. Last year 11,800 persons lost their lives in fires and more than 70,000 suffered severe burns.

Statistics show that the dollar fire loss in the United States last year exceeded one and a quarter billion, setting a new time high and an increase of 4.6 per cent over the loss in the preceding year.

And the terrible thing about all these fires is that three-fourths of them were the result of carelessness, according to the National Board of Fire Underwriters.

By using a little care, lives can be saved and needless destruction of property prevented.

The National Board of Fire Underwriters offers the following suggestions that may keep your home safe from fire:

1 - Never leave small children alone. Even if you are leaving for only a few moments, get a responsible person to stay with them. When going out for an extended period of time, employ a baby sitter.

2 - Small children and elderly people are the most frequent fire victims. If there are elderly persons in your household, plans should be made to get them out of the house quickly in case of fire.

3 - Use care with cigarettes. Never discard a cigarette or drop a match without being sure it has been extinguished. It's a good plan to break a match after using just to be sure it is out. Keep matches out of reach of children. And never smoke in bed.

4 - Keep a flashlight handy for use in dark places. Never strike matches or carry lighted matches or candles into closets or attics.

5 - Keep your electrical appliances in safe condition. Take them to a qualified repairman if they have loose connections or frayed or worn cords.

6 - Throw out old newspapers, magazines and other waste combustibles regularly, rather than let them accumulate in the basement or attic. These are the things on which fires feed.

7 - Impress upon everyone in your household that in case of fire, first get everyone out of the house, and then call the fire department. Call the department from your neighbor's home, if need be, but never reenter a burning house.

These suggestions could save your life, or the lives of members of your family.

You are the one who can help keep your home safe from fire.

"WE'LL START WITH THE ATTIC..."

On Second Thot

By GLENN F. LOGAN

The druggists of America are observing National Pharmacy Week, and this department hopes they have a good one.

By and large druggists are nice people, with a highly developed sense of public service. They are ever ready to do anyone a favor. No one realizes how many times pharmacists are dragged from their slumbers or a restful evening at home to come down and answer up to the plea of some friend or relative of someone gravely ill.

The demands upon their time are endless and most of them would qualify for a certificate of merit for performance above and beyond the call of business duty -- if there were such certificates, of course.

There are many businesses and industries now that have personnel trained to administer first aid -- Boy Scouts, Girl Scouts, veterans groups, fraternal and civic organizations and the Red Cross have first aid teams today, but shucks, druggists have been giving first aid to the ill and the injured before they had a name for it.

The druggist, however, is more than a dispenser of first aid of prescriptions. He is an oracle; he is a repository of secrets; he is a judge; he sees all, knows all and tells nothing.

"Look doc, my throat is dry, my headaches and... I've seen this advertised but I don't know, do you really think anyone wouldn't know if you were touching up your hair a bit... Oh, so that is what it is! Why don't I just get a bottle of ordinary aspirin then... I'll be darned! They get a price like that and it is just Glauber Salts?... The kid is running a temperature and... Well, what kind of vitamins should I get then?... What do you think, should I use

a faster film or could it be the lights?... My sinuses are killing me, does that stuff really work?... Well now, thanks, give me some aspirin then and I'll try the hot water again... Sure there were some vines there. Three leaves? Yeah, I think so. All I know is that it itches like all get out and if you can fix up some kind of dope for it... Excuse me, I'm in a hurry, double parked you know and I'd like 10 four-cent stamps, 10 three and... For Pete's sake doc, give me something for this tooth, it's going right thru the top of my head... I want something in perfume, not too heavy... So I told her to go ahead and get a lawyer. If she wants a divorce I won't fight it but what do you think... It's the whole side of my face and head any my ear aches too... You can see how my hands are broken out and I've tried everything. What should I do now?... Don't misunderstand me, my mother-in-law is a fine person and I think the world of her but... Well, I suppose any kind of tonic would do. What would you suggest? You see... Have you got some kind of pipe tobacco that REALLY won't bite?... I have taken some bicarb but I thought maybe you might know something... Yeah, and the knife slipped... What kind of glue or cement will hold on cloth and glass... I know this medicine is supposed to take care of the pleurisy but tape me, will you? It feels better then... fix me up, will you doc, too much party last night... And the doctor said...

Yes, the druggist is a busy man and an acknowledged authority on everything from hangnails to hangovers.

And the drug store itself is a club, life saving station, and cultural and information center -- all rolled into one.

Your correspondent has a soft spot for drug stores and druggists.

My first indoor job was behind the soda fountain in a drug store down in Missouri. And for many summers thereafter,

IGNORANCE CAN BE DEADLY

Dear Sir: Ambitious men have dreamed for centuries of world conquest. Socialism or Communism is the modern-day label which is worn by the systems that lead FREE MEN backward to a life of serfdom. A great portion of the world's population has never progressed beyond this way of life. Western Europe, The United States and certain areas cast-off the chains of slavery a few hundred years ago but they are, today, rapidly approaching a return to this former status. The reason for this retrogression can be termed as complacency on the part of the individual who is ill-informed, mis-informed or un-informed.

Since the communist revolution, the road leading away from FREEDOM has become progressively more congested. This Socialist System is a failure and cannot remain stagnant. It is constantly in need of "fresh prey". It is comparable to the blood sucking animals, such as ferrets or mink (Mustela furo), the weasel family. A victim is caught, his throat is cut and his life blood is sucked from him. He is left so seriously injured that he dies.

The United States has sanctioned or made possible the take-over by the communist of approximately one billion souls and about 25% of the earth's land area. Furthermore, we have financed their schemes with money which was forcibly taken from our tax-payers. This threat to world PEACE would have collapsed three decades ago, providing, we had withheld our aid. And now, we, their benefactors, are the prime target of this conspiracy.

The oral agreements, between our "Surrender Merchants" (The U.S. State Department) and Khrushchev while drawing-up the "Fake" Test-Ban Treaty, are being gradually disclosed. Nikita had realized that he was approaching the stalling point with his planned economy because of crop failures. This had resulted in food shortages. Hungry people are difficult to handle. They cannot work but they certainly will revolt and turn on their MASTERS when faced with the prospects of starvation.

We would not be required to fight another war to remove the threat to our future. By refusing further AID to COMMUNISM in any form, those who are already its victims would overthrow the system. Providing, we gave the assistance

which we have intimated in our "Voice of America" and "Radio Free Europe" broadcasts. The world could very soon be made safe from threats, again. Therefore, it is unreasonable to the point of stupidity, to even consider the selling of wheat and grain to Russia and China.

Those, who set the policy for OUR GREAT COUNTRY and persist in keeping our membership in The UNITED NATIONS are refusing to allow natural forces to eliminate our arch enemy. By their policy we consistently come to the rescue of Communism whenever there appears to be an eminent collapse. On whose side are these people? The answer is clear. Take one guess, you could not possibly be wrong.

Patriotically,
Henry W. Hicks
11301 W. 155th Street,

G.B. Healy To Address Press Women

The Illinois Woman's Press Association will hear Gerald B. Healey, Friday, Oct. 18 when they meet at 7:15 at the Palmer House.

Editor of Editor and Publisher's magazine he has a distinguished career in journalism, starting as a copy boy. Working for six years for the Chicago American, he will be introduced by Gladys Erickson, feature writer for the Chicago American and program chairman for IWPA.

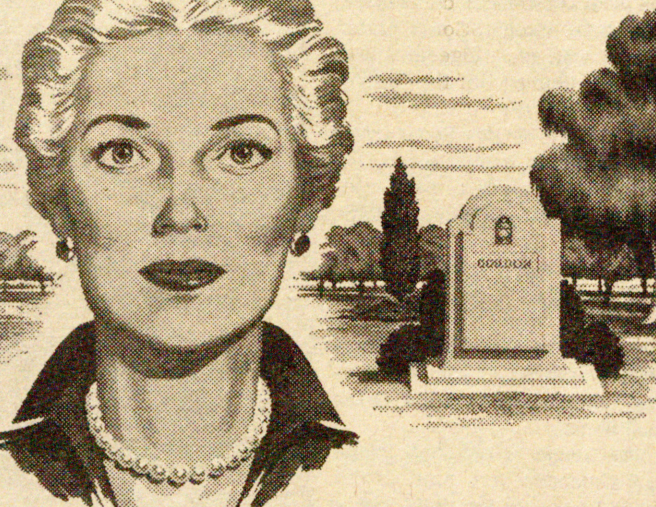

He has been with the Hearst association for many years and has served as manager of the Cleveland bureau of the INS and midwest news manager of the Chicago bureau.

Virginia Novinger, president from Elmhurst has announced that plans are almost ready for a seminar for high school students to be held at the Palmer House with IWPA members and Chicago editors and newswriters serving as moderators and panelists.

Margaret Semmler, of Mokena, is a member of IWPA and served several years on the board.

WILL YOU FACE THIS PROBLEM ALONE?

A Family Monument is a Family Decision that should be Made Now

It's not pleasant to face but it's true. Chances are you will survive your husband. Seven out of ten women do. That's why thoughtful families select a plot in a monument cemetery and a memorial of granite or marble while all are here to participate in the choice.

Has your family taken this step? Suggest, in fairness to you, they do so now. Otherwise you may be forced to do it alone... hastily and under circumstances that make clear thinking extremely difficult.

The price is medium... the luxury maximum... the car is Mercury

When you want more than the usual in a medium-price car, Mercury's the one to look at. You'll find rich interiors in the elegant new Park Lane. Extravagant spaciousness. Responsive power -- a 390 cu. in. V-8 is standard. And a choice of two different-looking styles.

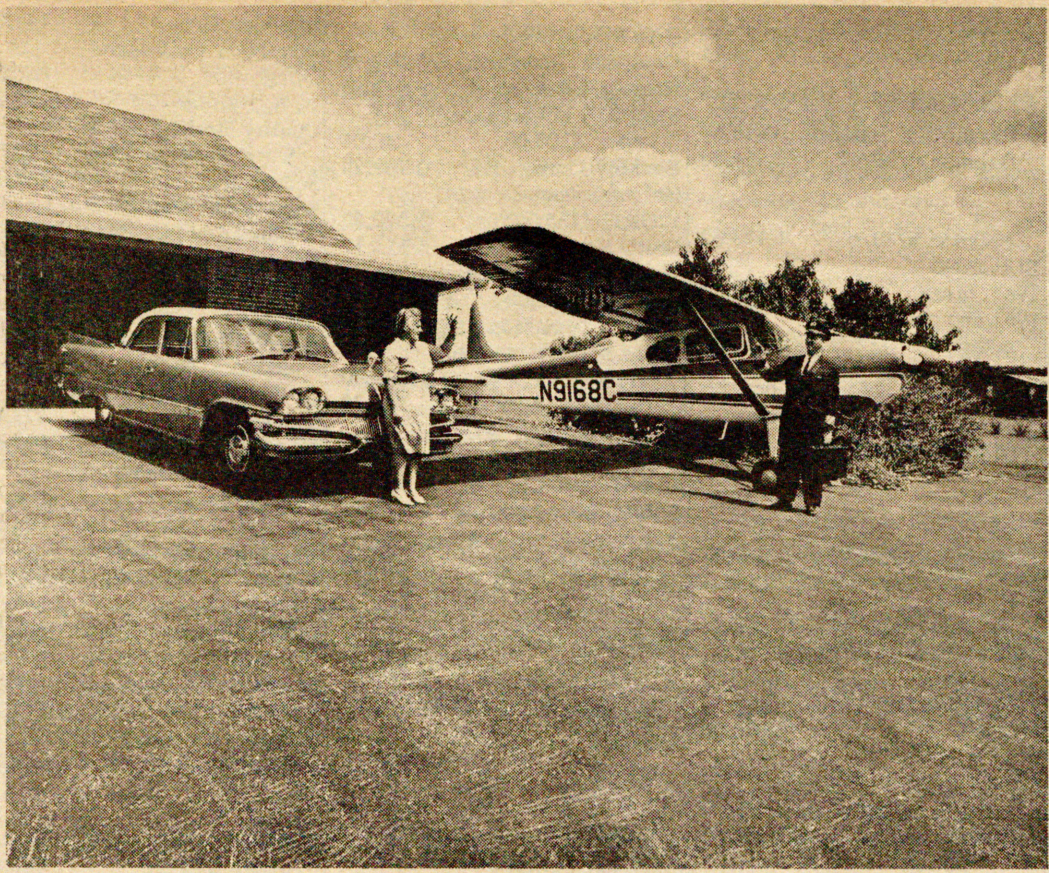

Also available with racy Marauder styling

Mercury gives you more than the usual in all these ways: the most responsive engines in its field. More leg room, head room, entry room. More trunk space -- 12 suitcases big (17.1 cu. ft.). Choice of racy Marauder styling (left) or Breeze-way Design (top), the rear window opens for ventilation.

'64 Mercury
No finer car in the medium-price field

LINCOLN-MERCURY DIVISION Ford MOTOR COMPANY

BOB MILLER, INC.,
9911 W. 143rd ST. ORLAND PARK, ILL.

"CALL ME on the 'unicorn' so I'll know when to start dinner," suggest Mrs. Louis Meredith to her husband, Capt. Louis Meredith, of American Airlines, as he prepares to commute from Orland Park to his office at O'Hare International Airport.

WHEN AMERICAN AIRLINES Capt. Louis Meredith brings his Cessna 180 onto the ramp, it is dwarfed by 990 Astrojet. However, the "180" and the 990 have something in common -- they're painted the same colors. (Metro News photos)

This Orland Park Commuter Doesn't Use Car Or Train

Just like any other commuter, Capt. Louis Meredith, supervisor of flying for American Airlines, waves goodbye to his wife, Ruth, as he leaves his home at 13811 South 82nd ave., Orland Park.

But, unlike most commuters, Meredith often hops into the cockpit of his Cessna 180 and flies the 32 miles to his office

at O'Hare International airport in 15 minutes.

When he flies to work, Meredith rolls the ship around the garage parking area onto a grassy 1,000 foot runway strip where he can take off down hill or land up hill. The house is about 100 feet higher than Chicago's Loop and 735 feet

above sea level.

An Indiana farm boy by birth, Lou enjoys living just 10 minutes Cessna flight from Meigs field or six minutes to Midway airport. On a clear day, the skyscrapers of the Chicago Loop are visible from the rise of his property.

He's had the 1955 model three years and has added two of the three radios to the full instrument board. The plane is equipped with dual omni and 360 channel transmitter-receiver and ADF (low frequency directional finders). He rebuilt the instrument panel so that each instrument has its own lights. The ship, which he's named "The 180" can cruise at 155 miles per hour and reach an altitude of 20,000 feet. When not in use, it's kept at Lockport airport, 15 miles from home.

Because their ship can carry

four and a half hours of fuel, the Merediths like to fly whenever they vacation to locales not on American Airlines routes.

They week-end often at Beaver Island, located near Traverse City, Mich. Meredith finds it simple to land and take off on a stretch of sandy beach which surrounds the island. He also combines his hobby of photography with his love of flying and has unusual aerial shots.

To date, he has logged 21,000 hours. He got his first hour of instruction from a woman pilot in 1936 in Rochester, Ind. Three years later he was an instructor in a Porterfield single engine two-passenger plane and operated from a cow pasture in Anderson, Ind.

The Merediths live in a large house which Lou designed and built to his specifications. He converted an old airplane radio

into a 110 volt unicorn which is officially registered as "Meredith's Land Area" so Ruth can communicate with him when he's in the four to five mile flight pattern.

"This is the only way I'd know when to put a light on under the potatoes as to when he's coming home," Mrs. Meredith said. She has her own radio telephone license. The Merediths find the unicorn especially helpful for weather information when plotting their flight patterns.

They share their wide open spaces with three parakeets: Mickey, Robsperre and Alfonso, and Gus, the beagle hound. The rest of the family includes: Janice, 23, who will be graduated this month (September) as a medical technician from Wesley Memorial Hospital; Connie, 22, who is a student nurse at Children's

Memorial and Ravenswood Hospitals; and Lou, Jr., 20, who already has his private license and is working towards his commercial license.

State Highway Division Lets Repair Contracts

(CNS) The Illinois division of highways has announced low bids for the construction of 2.24 miles of concrete base course on 159th st., between Oak ave. and Dixie highway in Oak Forest and Markham.

Low bidder was W.J. Sheppard and Co., for \$1,132,239.

A contract for \$88,379 was awarded to the Gallagher Asphalt Corp. for concrete resurfacing for the same site.

Other contracts approved: .92 miles of concrete pavement on the Southwest Expressway southwest of Summit; contractor: Robert R. Anderson Co., and Orr Construction Co., \$21,49,821. Repairs for the following bridges: Lange Bridge on 135th st.; Downey Bridge and Meyers Bridge on 143rd st.; Minard Bridge on 147th st.; contractor: Robert H. Ward, Inc., \$9,852.

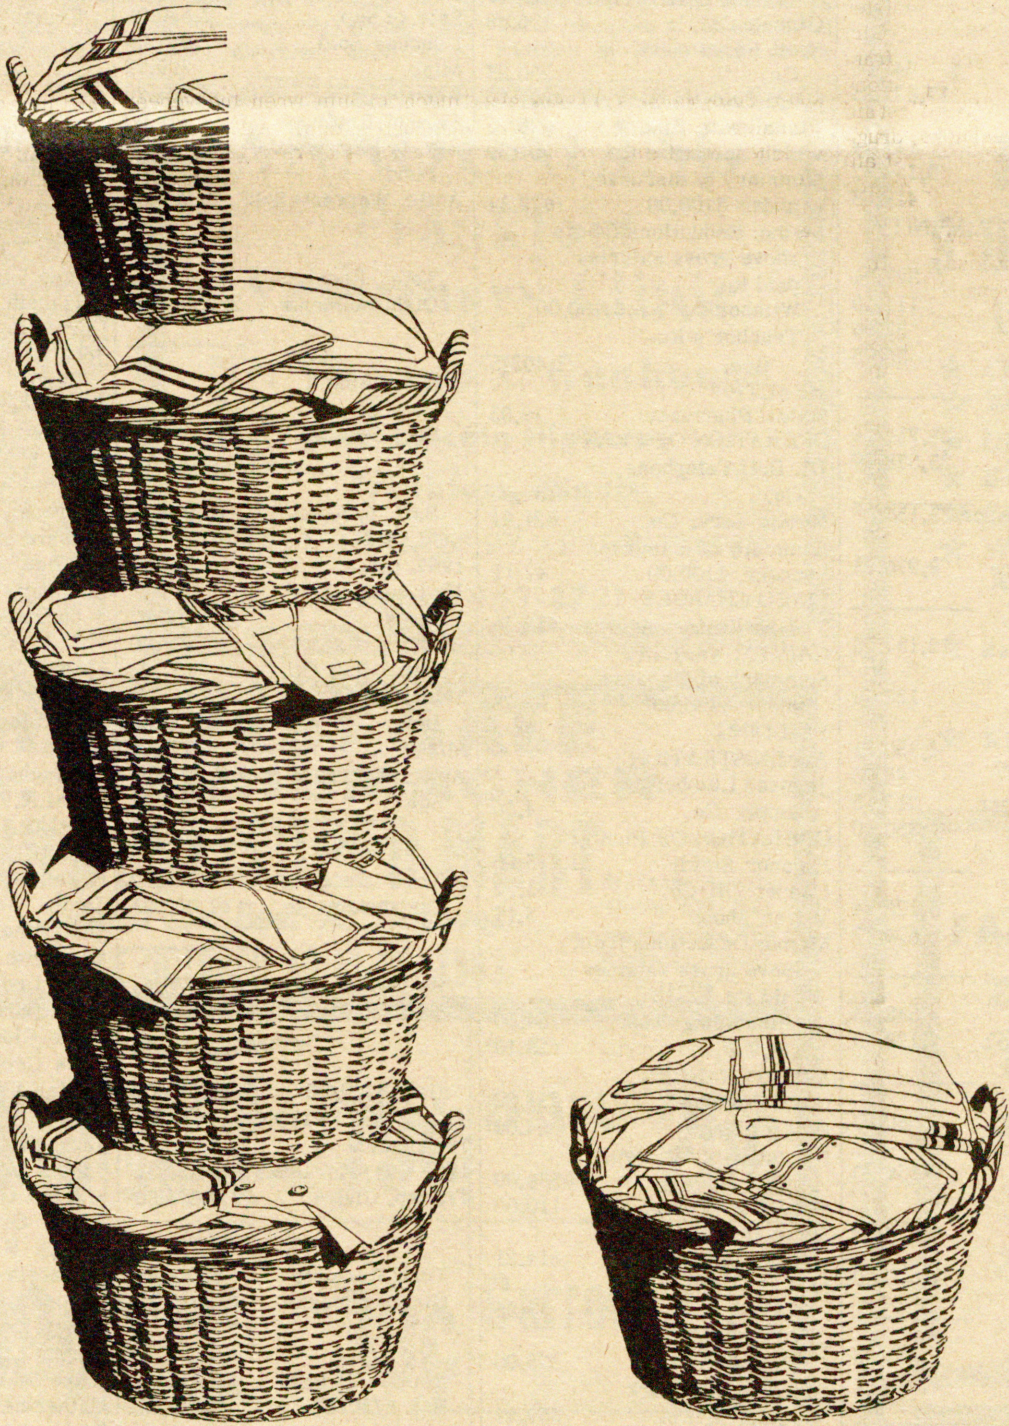

Resurfacing of the following locations: Doty ave. and 95th st.; Burr Oak Bridge at 127th st.; Halsted st. and 127th st.; State st. and 127th st.; 130th st. and Indiana ave.; 134th st. and Indiana ave.; 130th st. and Torrence ave.; Torrence ave. and 134th st.; and Avenue O, south of 111th st.; contractor: Ready Paving and Construction Co., of Chicago Ridge; \$77,269.

Reconstruction of the piers of the bridge carrying Cicero ave., over the Calumet Sag channel; contractor: Kenny Construction Co., Skokie; \$447,792.

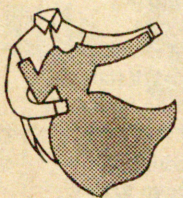

In other action, a contract for \$541,635 was awarded to the Arcole Midwest Corp., Evanston, for two parallel bridges carrying relocated Lawndale ave. over the Desplaines river, west of the Southwest highway.

A contract for \$69,119 to the Leininger Construction Co. of Chicago was awarded for the resurfacing of W. 65th st., from Cicero ave., westerly.

Other contracts: Reconstruction of two traffic control signal installations at intersection of Cicero ave. and

Waltz through
washday...
get a new
Gas Dryer

Dry the modern gas way and enjoy the economy, speed and convenience that are yours only with gas drying. Gas gives instant heat—requires no warm-up period—dries clothes almost as fast as you can wash them. And gas doesn't have a dry baking action that sets wrinkles.

Your clothes will come out fresh, and sweet-smelling...all for about a penny a load.

Save yourself work. With a gas dryer you end the chore of lugging wet laundry out to the yard...of running madly to haul it back inside when it rains.

Save on installation, too. Investment in costly heavy-duty wiring is not required to operate a gas dryer. From the start, you're set to enjoy true economy through the years.

Special 60-day free trial. See the wide selection of gas dryers on display at your Northern Illinois Gas showroom. Try one for 60 days. No down payment required. If you're not delighted with your dryer, we'll pick it up. No obligation, of course. (Matching washers available, too.)

Your appliance dealer also has an exceptional offer on a modern gas dryer.

Marley Church Celebrates Its 130th Anniversary

BY VIRGINIA SASS
The 130th anniversary of the Marley Baptist Community church was celebrated at a program in the church on Sunday afternoon, Sept. 29, 1963, beginning at 2 o'clock.

Mrs. Edward Sproat, church historian, assisted by former and present members of the church; Mrs. Wilbur Francis, Sr., Mrs. Arthur Lauffer, Vincent Barney and James Frazer, related the history of the church from its beginning on Oct. 5, 1833. Mrs. Will Storm of DeKalb, who was also to be on the program was unable to attend because of the illness of her husband. As these people talked, the story of the Marley Baptist Community church unfolded:

Mrs. Sproat spoke of how the church was organized with 11 members as the O'Plain Baptist Church on Oct. 5, 1833, in the home of Abram Snapp by the Rev. Allen Freeman, a young minister who had just come to Chicago from New York. The Snapp home was located in Yankee Settlement in Homer township on the property which was later used for the Barnett school.

For a long time services were held in the cabin homes and schools of the area. In 1849, they accepted an invitation from the Presbyterians to share their meeting house in Hadley. This was located on the old Ida Culler farm, presently owned by the Kordick family.

The Homer Congregational Church grew out of the Hadley Presbyterian church and their church history begins with this Presbyterian organization in Hadley in August of 1833 on property owned by John Blackstone, now owned by Fred Helmke, just west of the James Frazer residence.

In 1850, the Hadley Baptist church was built on the southeast corner of Hadley corners, the location now owned by Victor Chudy. Hadley Corners is known today as the intersection of Parker and Bruce roads in Homer township.

Mrs. Francis received the honors for having joined the church the longest time ago - 1898. She is the former Adella Rowley and later transferred her membership to another church. She and Mr. Barney were the only ones present who had attended services in the old Hadley church. Mrs. Francis told about attending Sunday school in the old Marley school and services which were held above the C.F. Haley store in Marley. She also reminisced a bit of the time when the new church was built in Marley and how she helped ready the parsonage for the Rev. and Mrs. Travis who had just been married. She proudly told of her baptism and of others which were held in the Marley creek.

Mr. Barney of Oak Park, spoke on the building of the new church in Marley. He is a native of the Marley community

and has always had a sincere interest in the church. Mr. Barney said he always felt that the new church was a result of the prayers of Mrs. Amos Savage. He praised the early pioneer Haley, Marshall and Gorham families for their strong devotion to the church and community.

In 1900 the new church was built on a lot given by Judge Dorrance Dibell whose father was Jonathan B. Dibell, a pastor of the Hadley Baptist church for 18 years. This lot was an orchard on the old Dibell farm. The Dibell residence was the site where Mr. and Mrs. Clare Berg now live. When the new church was built, the beautiful stained glass windows on the east wall, overlooking their homestead, were given in memory of the Dibells. Mrs. Clarissa Snapp Johnson, the only living charter member at the time, spoke at the cornerstone dedication on May 25, 1900. A lot adjacent to the church was given to the church for the parsonage by Mr. and Mrs. Richard Gorham. The parsonage later was moved there from Hadley. The old Hadley church was sold in 1904 for \$100 to Fred Helmke to be used as a barn.

Mr. Frazer, who is a life deacon, has been an active member for the longest period of time, having joined the church in 1912. He has served as a deacon for 48 years. He spoke on the policy of open membership in 1915. Due to denominational pressures, it was decided that the church be the Marley Baptist Community church to serve all faiths, and the church left the Baptist Association. "In 1954, under the pastorate of Rev. Herschel Aseltine, the Marley church re-entered the Association.

Mr. Frazer who is proud of his native Homer township, spoke of the close relationship between the Marley and Homer churches. He mentioned Sunday school conventions of the Hadley, Homer and Goodings Grove churches. He spoke of joint Memorial day services which were held after the Civil War and still continue to be held between the Homer and Marley churches each year.

Mrs. Arthur Lauffer, a life deaconess has been an active member for 44 years. She has served the church faithfully in many capacities: as Sunday school superintendent, teacher, deaconess and as president of the Missionary society. Her speech could have been entitled, "Do You Remember?" as she touched on interesting events and happy relationships thru the years--the Fourth of July picnics, special services, ministers and their families and the activities of the Missionary Society including plays, annual Bazaars and the serving of lunches at farm sales.

Greetings from the Illinois Baptist State Convention were given by the Rev. Harold Schlink, northern area representative. It is interesting to note that the Northern Baptist Association was organized on Sept. 15, 1835. In 1837 Abram Snapp of the O'Plain church was on the executive board of the Northern Baptist Association.

Letters of greeting were read by Mrs. Loren Sass in the absence of the church clerk, Arthur Liebelt. Telegrams and letters of congratulation were received from various churches and from the following former pastors: Rev. and Mrs. Henry Rust, 1916-1921 -- now in retirement at Penny Farms, Florida; Rev. and Mrs. Ernest L. Snodgrass, 1934-1938 -- now of Florida; Rev. Ruthven S. Chalmers, 1938-1939 -- also in retirement at Penny Farms; and from Rev. and Mrs. Ray Hamer, 1956-1960 -- now of Graymont, Ill.

The special music was a vocal solo, "Great Is Thy Faithfulness", by Miss Mary Jane Stellwagen.

The address, "The Future's Broadening Way" was given by the Rev. Ian Brown, pastor of the church. He complimented the congregation on their foresight, fortitude and friendliness both presently as well as in the past. He praised the organizations of the church, the Freeman Fellowship--named after the church founder, Rev. Allen Freeman; the Brotherhood, Missionary Society and the B. Y. F. He spoke of the wonderful addition of Haley Park to the

church in 1954 and of its splendid service not only to the church but also to the community. The park, adjacent to the church, was given in memory of Mr. and Mrs. C.F. Haley and Mr. Robert Regan. Presently an addition is being made to the park by a gift from Louis F. Sass. The shelter in the park was erected in memory of Miss Agnes Haley, the donor of the major portion of the park.

Among the guests were Mr. and Mrs. Howard Snapp and daughter of Joliet, Mr. Snapp is a direct descendant, a great-grandson of Abram Snapp, in whose home the O'Plain church was organized. Also in attendance were Mr. P.O. Douglas, vice-president of the Aurora Baptist Association; Rev. V.N. Herron of the 2nd Baptist Church of Joliet; Mr. and Mrs. Julian Gorham of Dalton, former members; Mr. and Mrs. Leonard Hulsing of Lockport--Mrs. Hulsing is a former member; and Mrs. Ralph Bush, a former member, now of Joliet.

Following the service a social hour was held in the Fellowship Hall. On display were pictures and clippings from the church history and a kerosene lamp that was used in the old Hadley Baptist church.

Refreshments were served from a table covered with a white linen cloth. The centerpiece was an arrangement of

amber grapes around a miniature ivory church, flanked by slender ivory tapers in crystal holders. Miss Besse Sproat and Mrs. Ian Brown presided at the silver coffee service and Mrs. Helen Tilsy at the punch bowl. Mrs. Francis served the beautiful anniversary cake which was made by Mrs. Elsie Tverdek of Chicago and donated by Mr. and Mrs. Lester Cammack.

Serving on the 130th anniversary committee were the Rev. Mr. Brown, Mr. and Mrs. Daniel Sass and Mr. and Mrs. Edward Sproat. Mrs. Sass was refreshment chairman and she was assisted by the deaconesses, Mrs. James Tilsy, Mrs. Francis Nelson, Mrs. Harwood Stellwagen and Mrs. Kenneth Nutter.

The Marley Missionary Society will meet on Wednesday, Oct. 16 at the Marley church. The hostesses will be Mrs. Clare Berg, Miss Helen Tilsy, Miss Caroline Tilsy, Mrs. Alma Kohl and Mrs. Ralph Bell. The program on Protestant history will be presented by the Rev. S. Cox, pastor of the Homer Church. Mrs. Charles Sievert will conduct the worship service.

Guests on Saturday in the

home of Miss Helen and Miss Caroline Tilsy were Mrs. Ida Rohrabach and Mr. and Mrs. Jerry Smith of Michigan City, Ind.

Harry Sproat suffered a broken arm when he was kicked by a cow on Monday, while working in his barn.

Mr. and Mrs. Julian Gorham of Dalton were dinner guests Sunday evening in the home of Mr. and Mrs. Ralph Splecker in honor of Mrs. Gorham's birthday.

Brownies Bar Store Garb For Halloween Costumes

MRS. EDWARD HOVI
479-5740

The Scout program is in full activity now, both the Brownie Scouts and the Junior Girl Scouts.

There are two active Brownie Scout troops at present. Troop Number 332 are planning a Halloween party on Tuesday, Oct. 29. The party is to be held in the basement of the Kenard home. Mrs. Kenard is one of the committee mothers for

NOTICE TO CONTRACTORS

Sealed proposals will be received by the President & Board of Trustees of the VILLAGE OF MOKENA, ILLINOIS, at the office of the Village Clerk, Village Hall, Mokena, Illinois, until 8:00 o'clock P.M., October 15, 1963 (at which time and place the said proposals will be publicly opened and read aloud) for entering into a contract for the furnishings of all labor and materials for 1,650 Square Feet of sidewalk construction, in the Village of Mokena, County of Will, State of Illinois, in accordance with plans and specifications thereof, which may be seen on file in the office of the Village Clerk Village Hall, Mokena, Illinois.

Plans, specifications, and supporting documents, including proposal forms, may be obtained from the Village Clerk for a fee of \$5.00 non-refundable. Proposals must be submitted on the form provided and shall be sealed and marked, Proposal for Sidewalk Construction on the outside of the envelope.

Payment will be made in Tax Warrants bearing interest at the rate of six per cent (6%) per annum payable over a period of 5 years. A performance bond on the sum equal to the full amount of the bid, with sureties to be approved by the President & Board of Trustees, for the faithful performance of the contract, must be furnished by the successful bidder. All bids must be accompanied by a certified check, payable to the order of the President & Board of Trustees of the Village of Mokena, Illinois, in an amount equal to ten per cent (10%) of the bid.

The Village Board reserves the right to reject any or all bids.

Dated at Mokena, Illinois, this 1st day of October, A.D. 1963.

Troop No. 332.

For the party festivities the youngsters are required to make their own costumes. No store bought costumes will be allowed. This should be a revelation in inventiveness.

The Brownie Scout Troop Number 334 is planning a hike at Pelcher Park in Joliet on Saturday, Oct. 12 from 10 a.m. until 2:00 p.m., weather permitting.

Transportation for the girls will be provided by the leaders and committee mothers. Each child is to bring a lunch and their "sit up-on" which was made in prior Brownie meetings.

A "sit up-on" is just what the name would indicate; a hand made cushion to be placed on the ground or floor to sit up-on.

The Junior Girl Scout Troop Number 103 is in serious rehearsal for the up-coming fun fair. The girls themselves decided that they would like to participate in the talent show. The girls are going to sing a group song.

The youngsters in the talent show for the Fun Fair will be providing their own home made costumes and background props.

There is still a need for

NOTICE OF SALE

Notice is hereby given that on Saturday, October 26, 1963, the County Board of School Trustees of Will County, Illinois, will sell at public sale on the premises hereinafter described at the hour of 10:00 A. M., and under the terms stated, the following described real estate (exclusive of the buildings located thereon):

The South 148.5 feet of the East 148.5 feet of the Southeast Quarter (SE 1/4) of the Southeast Quarter (SE 1/4) of Section 30, in Township 35 North, Range 12, East of the Third Principal Meridian, in Will County, Illinois.

TERMS OF SALE: Purchaser of purchasers shall pay ten per cent (10%) cash at time of bid and balance in cash at time of delivery of deed. A Chicago Title and Trust Company Owners Guaranty Policy will be furnished to the successful bidder.

additional dancers and musicians for the Talent Show. Anyone willing to contribute talent to the show is asked to contact Mrs. Albert Behnke at 479-5412.

There will be three shows scheduled for the talent show during the Fun Fair: 3:00 p.m., 5:00 p.m., and 7:00 p.m. The admittance fee will be 20 cents a person. The show will run approximately thirty minutes.

The Summit Hill Parent-Teacher Group will meet tonight, Thursday, Oct. 10, at 8 o'clock at the school.

The speaker will be Mrs. Wilma Jean Wegler, the speech correction teacher, who will discuss the role of speech correction in our school. This is a new and important program in our school, and the talk should clear up any questions on the topic.

The Fun Fair, originated last year, is coming up next week on Saturday, Oct. 19, from 2 to 8 o'clock. All of the school district is invited to attend and join in the fun.

The Arbury Hills Civic Association held their October meeting in the new all-purpose room at the school on Tuesday evening, Oct. 1.

There was to have been a speaker, A.H. Krusmark from Frankfort, to talk on incorporation for Arbury Hills. Apparently he had mistaken the date and did not appear.

The president of the Civic Association will endeavor to contact another speaker for the November meeting to give a talk on incorporation. The apologies of the Civic Association go to anyone who was inconvenienced by the mix up.

NOTICE OF SALE

Notice is hereby given that on Saturday, October 26, 1963, the County Board of School Trustees of Will County, Illinois, will sell at public sale on the premises hereinafter described at the hour of 10:30 A. M., and under the terms stated, the building used by the former Weltendorf School District located on the following described property:

The East 198.5 feet of the South 330.5 feet of the Southeast Quarter (SE 1/4) of the Southeast Quarter (SE 1/4) of Section 30, in Township 35 North, Range 12, East of the Third Principal Meridian, in Will County, Illinois.

TERMS OF SALE: The successful bidder or bidders shall remove the buildings from the above described property and shall return property to grade level within 60 days from the date of sale. Purchaser or purchasers shall pay cash at the time of sale.

Harold Fitch, one of the local deputies and director of the Teens club, asked for approval of a donation by the Civic Association towards a hay ride for the Teens.

Since the Civic Association is an original sponsor of the Teens Club, it was voted to give the Teens \$15 toward the affair.

Mr. Fitch also asked help in directing the young people. He has been directing the group without sufficient help from the adults. Any adult who would care to give some time should contact Mr. Fitch at 479-5451.

The Teens Club meets at the school twice each month beginning at 7:00 p.m. The meetings are held on Monday evening.

Membership in the group is open to all young people in the school district between the ages of 13 and 19.

The Arbury Hills Kindergarten Organization will hold its regular monthly membership meeting at the school next Tuesday evening, Oct. 15, starting at 8:30.

Mrs. William O'Neill, who is directing the sale of Christmas Cards, has the sample folder circulating thru out the area.

Tickets are available for the hay ride and square dance sponsored by the Civic Association to be held this Saturday night, Oct. 12, at the Valley View Farm on Route 30, just east of Wolf Road.

The hay ride will start at 9:00 p.m. and run for one hour around the Valley View grounds.

The evening will be rounded out by a square dance also at the pavilion. The Valley View will provide the music, the caller and the dance area.

Cost of the evening will be \$1.50 per person. Those having tickets are: Dan Markowski, 479-5041; Al Cutler, 479-4701; Phyllis Prather or Dick Prather, 479-3451; and Marie Hovi, 479-5740.

The Summit Hill Parent-Teacher Group is looking for a

ADVERTISEMENT FOR BIDS

The Village of Mokena will receive sealed bids for the construction of 750 Square Yards of 1 1/2" Bituminous Surfacing until 8:00 P.M., Tuesday, October 15, 1963, at the Village Hall, Mokena, Illinois, at which time and place the bids will be publicly opened and read.

Plans, specifications, and bid forms may be obtained from the Village Clerk or from Mulford Engineering Service, Engineers, 33 W. 16th Street, Chicago Heights, Illinois. No deposit is required.

All proposals must be accompanied by a certified check or bid bond in an amount not less than 10% of the bid.

The right is reserved by the Village to reject any or all bids and to waive informalities in the bidding.

small gas range, either a 30" range or an apartment size range. Anyone willing to donate such an item, may contact John Smith, president of the PTG at 479-4791.

The First Nighters held their October meeting at the home of Mrs. Arthur Fife of 9431 West Birch ave. on Thursday evening, Oct. 3.

The hostesses prize was won by Mrs. Rose Menzer, a substitute. The meeting for the month of November will be held at the home of Mrs. Archie Estes of 19345 S. Oak st., on Thursday evening, Nov. 7, at 8:00 p.m.

The Kindergarten Organization, under the approval of H. James Wrath, the superintendent of the school, will be taking a census in Arbury Hills. Mrs. George Peterson will be in charge of this operation. She has enlisted the aid of the Parent-Teacher Group to cover the outlying area of the School District 161.

The census will determine the available number of kindergarten age youngsters for the coming year, 1964-65.

Ted Smith, son of Mr. and Mrs. John Smith of 9520 W. Rosewood Lane, celebrated his 13th birthday with an evening party of some of his boyfriends. The boys played bingo for trickster prizes, and following this, refreshments were served.

In addition to his brother, Rick Smith, Ted Smith had as guests: Mr. Reeves, the eighth grade teacher and his guest; and boy friends; Jack Chesnut, Mike Skala, Garry Neumayer, Herb Neumayer, Keith Burt, John Nyder, and Dennis Plumly, and Lee Williams.

The party took place at the Smith home on Friday evening, Sept. 27.

Anyone who would be interested in having dancing lessons in Arbury Hills, please contact Dan Markowski at 479-5041.

The lessons would be given by professional dance instructors and a minimum of ten couples would be needed in order for the instructor to come to Arbury Hills.

Fall Sales Combined At Church

The annual Fall thrift and rummage sale sponsored by the Woman's Society of Christian Service of Palos Heights Community Methodist church will be combined this year to accommodate their customers.

The thrift sale of clean, good quality, like-new items will be held from 9:30 a.m. to 9 p.m., Thursday, Oct. 17. The rummage sale will be held from 9:30 a.m. to 9 p.m., Thursday, Oct. 17 and from 9:30 a.m. to 3 p.m. Friday, Oct. 18.

The sales will be held at the church, 121st and Harlem, Palos Heights, and will include clothing, appliances, furniture, toys and miscellaneous items.

Child Care Classes To Resume

Classes for prospective parents conducted by the maternity department of Silver Cross hospital will resume on Oct. 15. Open to both parents the classes are held in a series of six on Tuesday and Thursday evenings beginning at 7:30 p.m.

Subject matter includes anatomy; the new born infant with demonstrations of baby care (diapering, feeding and formula making); the infant up to one year of age; use of relaxation during labor and delivery; and anesthesiology during delivery. Nurses and anesthesiologists are the instructors.

A tour of the department with explanations of rules and regulations concerning visitors is also included. Any parents interested in attending the classes are asked to apply by mail or telephone to the office of Mrs. Naomi Corsini, director of nursing education at Silver Cross. There is no charge for the course.

Parents Sue When Boy, 4, Is Hurt In Laundromat

(CNS) A \$150,000 suit was filed in circuit court this week on behalf of a four-year old Palos Hills boy whose arm was mangled in an accident in the Nation's Finest, Inc. laundromat at 112th st. and Harlem ave. in Worth.

According to the suit, George E. Schoenke, 4, son of George F. Schoenke, a truck driver, of 8300 W. 107th St., Palos Hills, caught his arm in a "Bock Extractor" machine on May 20, 1963, while attempting to close an alleged defective cover which had popped open.

Named as defendants in the suit, which was filed by attorney Isadore M. Bernstein, were Nation Finest, Inc., Bock Laundry Machine Co., manufacturers, Borg-Warner Corporation, retailers and Federal Equipment Corp., installers of the machine.

Agnes Parish, Chicago Heights, ACCW district priest advisor, will moderate at the Medical Mission committee at the council meeting.

The two-day session will begin at 9:15 Mass, Wednesday, Oct. 23 and the same procedure will take place on Thursday, Oct. 24.

The theme that will set the pace for the next two years is, "The Triumph of Love", and will be developed at all sessions.

Top-notch speakers and consultants have been invited to address the 2500 women who are expected to attend. Thirty-five sessions have been slated for the two-day conference. Mrs. Edmund Sullivan is the chairman of the speakers' committee and Mrs. Donald W. Anderson, president of the south district, will preside at the session on Thursday, "This is Your Council".

The following local parish organization presidents have been invited to lead delegations to the conference: Mrs. Mathew L. McBride, St. Michael, Orland Park; Mrs. Edward Grskovich, St. Anne, Hazel Crest; Mrs. Joseph Kunkel, St. Damian, Oak Forest; Mrs. William J. Crompton, St. Emeric, Country Club Hills; and Mrs. F. G. Novick, St. George, Tinley Park.

The Council of Catholic Women

Designate November As First Aid First Month

In an effort to prepare at least one member of every Chicago family to render lifesaving first aid until a doctor or ambulance arrives on the scene, the Chicago Chapter, American Red Cross has designated November as First-Aid-First Month.

"With our rapidly growing metropolitan area and accident rate, first aid training is needed more than ever before," stated Albert L. Means, volunteer Red Cross first aid chairman. "When an accident or illness strikes, the person with first aid training is prepared to render emergency treatment," Means, assistant treasurer of the Midwest Stock Exchange, added.

Beginning the first week of November, Red Cross First Aid classes will be held in 110 city and suburban facilities. Each group will meet one evening a week for five consecutive weeks from 7:30 to 9:30 p.m.

en, a federation of 450 parish and club groups in Cook and Lake Counties, is sponsored by Albert Cardinal Meyer.

Under the supervision of more than 200 volunteer Red Cross First Aid instructors, such subjects as burns, oral poisoning, bone injuries, shock, artificial respiration, and bleeding control will be covered.

To Administer Second Type Of Sabin Vaccine

The second phase of a three-dose mass immunization against polio conducted by Hazel Crest hospital will take place Sunday, Oct. 20. Type II Sabin oral vaccine will be administered at the hospital, 171st st. and Dixie hwy., Hazel Crest.

The drive will again be conducted on a drive-in basis, with vaccine-impregnated sugar cubes handed thru the car window.

Paul H. Webster, hospital administrator, said that all three types of Sabin vaccine are required for complete immunization in most persons. South suburban families may begin their program with Type II on Sunday and return to the hospital for Type I during special make-up sessions after Jan. 1.

There is no charge for Red Cross first aid instruction; the only cost is \$1.00 per student for the textbook (which is a valuable addition to the family bookshelf) and bandage supplies.

To register for first aid instruction call the Chicago Chapter, American Red Cross, 467-5800, or suburban offices in Evanston, UN 4-9000; Harvey, ED 1-1075; Oak Park, VI 8-2700; or Wheaton, MO 5-2346.

Type III, which is given mainly to persons under 30, will be offered at the hospital Sunday, Dec. 1. Upon completion of the program, recipients will be mailed a vaccination certificate for medical and school records.

Doctors in charge of the Sept. 8 drive said the most common question asked was "If we already have been inoculated with Salk vaccine, should we take the Sabin series?" The answer is "yes" since the Sabin oral vaccine offers a different and more effective immunization.

Drivers should enter the vaccination line on 171st St. between Wood and Dixie hwy. Cars will then be directed into the hospital drive-way by Hazel Crest traffic officers.

Resolution Objects To Proposed Jet Airport

A resolution objecting to the establishment of a commercial airport in Westhaven, a village located directly west of Tinley Park, was adopted by the Tinley Park board of trustees at their last regular meeting.

It was also reported at the meeting that Ed Prosseri, who owns and operates an airport south of the village, attended a hearing on the proposed Westhaven jet airport, held in Kansas City, Mo., on Sept. 18, by the Federal Aviation agency.

Westhaven was not represented at the hearing Prosseri reported, and voiced the opinion that from impressions gleaned at the meeting, the airport would not be approved by the FAA.

The Village of Tinley Park sent a telegram to the FAA that it was opposed to the airport.

The Fernway Improvement

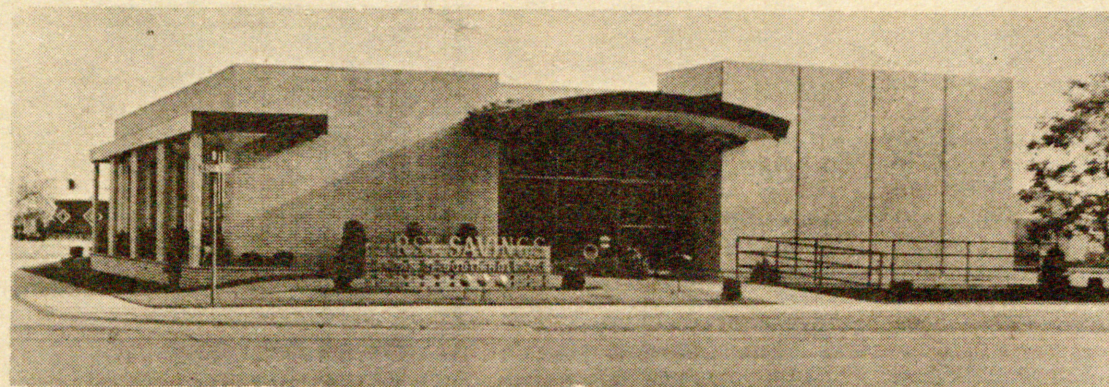

Association, whose members are composed of residents in the Fernway area, directly east of Westhaven, also have voiced objections to the airport.

The airport reportedly would have two runways, each 6600 feet long, and would be financed with federal funds.

The Fernway Improvement Association is objecting because there is a school in the vicinity, that it would create a safety hazard; also that the jet airplanes would create too much noise for the school and residential areas.

Prosseri is objecting on the grounds that there would be overlapping of air traffic.

Home Art Club To Meet In William Ziegler Home

Members of the Home-Art club will meet at the home of Mrs. William Ziegler, Prairie road, on Wednesday, Oct. 16. Co-hostess will be Mrs. Nancy Peterson. Mrs. Harry Tatro will demonstrate the making of Sachet Bags, and the annual election of officers will be held.

Fred Fell, caller for the Buttons and Beaux Square Dance club will sponsor "Learn to Square Dance" classes at the Boy Scout cabin in the camp grounds on Thursday, Oct. 10th at 7:30 p.m. Anyone interested are asked to call Fred Fell at 485-4871.

Mr. and Mrs. Joseph Wilmsen entertained Saturday afternoon at a party honoring the 6th birthday of their daughter Susan. Novel games were played and prizes were awarded. Refreshments were served with decorations being carried out in the "Cinderella" theme. Favors were given to each guest, and many nice gifts were presented to Susan.

Guests were Cindy Carlson, Debbie Klausung, Tina and Brenda Orange, Mardelyn Bolerjack, Pam Lecktorich, Judy Norberg, Susan Keeley and Holly and Susan Wilmsen.

Frankfort

Band Boosters Consider Purchase Of New Jackets

MRS. KATHARINE HEISNER Telephone: 469-5187 The Band Boosters meeting was held last Wednesday evening at the local grade school with Mrs. Lewis Ebert presiding.

Perry Friedman, band director, reported 46 members in the A band and 18 in the B band.

It was decided that prices be obtained on various types of band jackets and at the November meeting decide whether to purchase new ones. It was voted upon to have the present uniforms cleaned this fall at the parents expense of \$1.50 per uniform.

The executive board discussed taking roll call each meeting to determine which parent attends most meetings and then present an award at the end of the year.

A concert will be given by the band for their parents in November. The regular business meeting will be held first and then the concert. Hostesses will be Mrs. Lewis Ebert, Mrs. James Kelly, Mrs. John Nordisell, Mrs. William Barson and Mrs. Frank Fleck. The date will be announced later.

New Lenox Board Talks Of Having Own Chamber

Wilbur Thackeray, appointed to the New Lenox village board two weeks ago was sworn in and took his seat on that body last Friday. He succeeds Eugene Hunt who resigned because of illness. Mr. Hunt is hospitalized after surgery.

Mr. Thackeray's first meeting was in cramped quarters. Ordinarily the village board meets in the New Lenox fire district headquarters but the firemen were using it last Friday in final preparation for their open house of last Saturday. The village board met then in the room that serves the village business manager and the police magistrate.

Thus one of the subjects discussed was the possibility of remodeling the village garage to

provide a council chamber of their own. Trustee Chester Bowman who has been exploring the possibility at the request of the council said such remodeling would cost about \$2,100 according to estimates. At the same time it was pointed out that the machinery, especially a new truck the village is acquiring, should be properly sheltered. A steel building that would serve as a garage and a workroom could be erected on the village land near the sewage plant for about \$5,000. Such a building would be 42 by 48 feet in size, reported Trustee Don Anderson, who also presented the cost figure to the board.

There will be further discussions on the subject.

An ordinance was adopted annexing the Sheldon Hauck property north of Route 30 to the village. The tract is used now mostly as a used car sales lot. John Francis, it was reported to the board, informed the village to the effect that since the municipality had failed to pay the taxes and maintain with stone his lot adjacent to the Rock Island station so the tract could be used as a parking lot — which it is — he would like to be compensated in the form of rent at the rate of \$60 a month. He also was quoted as saying that if the village was not interested he would like to be informed as he has some inquiries relative to use of the property.

The board members could not recall any agreement under which the village was to pay taxes and maintain the lot and they went on record as uninterested in paying any rental for the property and directed that Mr. Francis be informed to that effect.

Too few cards had been received expressing opinions on the proposed sidewalk plan for New Lenox to serve as a guide up to last Friday, Trustee Ro-

L-W Board Appoints Site Study Committee

During the last regular meeting of the Lincoln-Way board of education, members were selected from the various communities to serve on the site study committee in preparation for the location of new school when that becomes necessary. This committee had been previously officially sanctioned and established by the board to serve in an advisory capacity to them for making the study and recommendations for later consideration.

The first joint meeting of this committee with the board has been set for the night of Oct. 24. It is planned that this committee will spend considerable time making this study before drawing up its recommendations.

bert Randolph reported. The sidewalks would be put in at the expense of the property owner less the financial support that could be given by the village thru the use of motor fuel tax funds, it was explained. Emphasis was placed on installing walks that would serve Haven, Oakview and St. Jude's schools.

Randolph has had some figures on the cost of trees to replace those on village property that have had to be cut down. He was to get more details and later the village will advertise for bids. Randolph also reported that it is intended to make a skating rink for the smaller children this winter and exclude the older skaters. The older people will use the larger rink.

The board voted to contribute to the master highway plan committee that is studying the needs of streets and highways in the Joliet area and where they should be developed. It will not cost the village in excess of \$200, according to Mayor Stanley Gilmore, who is on the committee.

Trustee Evans Drotts complained requests for contributions for studies and surveys were becoming too frequent.

Members of the school board previously had indicated that such a study was of extreme importance at this time in order to have the information relative to the projected growth and student enrollments within the Lincoln-Way district along with the actual plotting of the direction of the population growth. The committee's function primarily will be advisory in nature to the board and after their recommendations have been submitted the committee itself will be discharged of any further responsibility.

Members of the site study committee are: Fred Richards, Manhattan; Oren Link, Lincoln Estates; Rudy Schubert, Arbury Hills; Jack Mannell, Mokena; Carl Schonwise, New Lenox; Ralph Dralle, Frankfort.

Asst. Supt. Donald D'Amico will also meet with the committee along with one member of the board. Each meeting will have one representative from the board present but no specific individual will be appointed.

RUMMAGE SALE

The annual fall thrift and rummage sale sponsored by the WSCS of Palos Heights Community Methodist church will be held Thursday, Oct. 17 from 9:30 a.m. to 9 p.m. and Friday, Oct. 18 from 9:30 a.m. to 3 p.m. at the church, 121st and Harlem.

ICC Approves Frankfort Phone Extension Program

Illinois Bell's "extended area" calling plan for Frankfort to other nearby telephone exchanges has been approved by the Illinois commerce commission.

This means that telephone users in Frankfort will have un-

limited toll-free calling to about 70,000 telephones. Frankfort telephone customers' present toll-free calling area includes only Frankfort and Mokena telephones. The new plan will increase the local calling area of Frankfort telephones to include telephones in the Chicago Heights, Joliet, Manhattan, Mokena, New Lenox, Peotone and Tinley Park exchanges.

Telephone manager Don Member pointed out that when extended area calling is introduced, people substantially increase their calling to the added communities. He said that before the new plan goes into operation it will be necessary to install cable and additional central office equipment for this increased calling. The extended area service should be ready within 24 months.

Frankfort telephone users now pay toll charges of 10 or 15 cents for each station-to-station call of five minutes or less to customers in the exchanges which will be added. Under the new plan, these charges will be eliminated, and basic monthly rates for telephone service adjusted to recognize the larger toll-free calling area.

Illinois Bell's petition to the Illinois commerce commission was made earlier this year.

C.G. Imekus Retires From Phone Company

Clarence G. Imekus, R.R. 2, Mokena, has retired from Illinois Bell Telephone Co. after 45 years of service.

Imekus served as test center foreman in Illinois Bell's Franklin district, which serves the heart of Chicago's Loop.

He and his wife, Carmen, plan to move to the Bradenton, Fla., area.

State highway and Frankfort village officials are awaiting word from Springfield that will start work on the resurfacing of White street.

White street is a concrete roadway and it is to be resurfaced with blacktop. The state awarded a contract for the job last week and the New York Central railroad is busy now in raising its tracks that cross White street in conformity with the new grade.

Mayor George Sangmeister called the district highway office at Elgin Tuesday to see if he could learn when work was to be started and was told that they were waiting on word from Springfield. If the mild weather continues it was hoped that the resurfacing would be done this fall.

The village board has instructed Engineer Robert Hamilton to draw plans and specifications for extension of a water main to Community park so the village can get bids to really determine the cost of such a project.

James Geuther and Lynn Kohlman, representing the Frankfort Lions club, appeared before the board Monday night to enlist the cooperation of that body in bringing a sufficient flow of water to the park that the Lions can proceed with their plans for a combination tennis and basketball court and ice skating rink.

Trustee Milton Subbert pointed out that the laying of an inch and a half or two inch line would be of no value when development of the town to the west made water service imperative. This area to the west is largely marked for indus-

MR. AND MRS. EUGENE PENKA

Joyce Schofield Becomes Bride Of Eugene Penka

At a seven o'clock candlelight ceremony the evening of Aug. 24 in the Frankfort Methodist church, Miss Joyce Schofield became the bride of Eugene Penka.

The Rev. James Parker officiated at the double ring ceremony uniting the daughter of Mr. and Mrs. Clyde Schofield, Frankfort and the son of Mr. and Mrs. Erwin Penka, 302 Sherman st., Joliet.

Guest soloist, Mrs. Keith Blackford, was accompanied at the organ by Roger Corp.

Escorted by her father to an altar enhanced by baskets of pom-pom and gladioli, the bride wore a floor length gown of white organza over taffeta. Sequins and pearls formed a decor at the neckline and was repeated in the skirt and on the butterfly train. Veil fastened to a sequin and pearl and lace crown. She carried a white orchid and stephanotis on a white Bible.

Pam Penka, sister of the groom, attended as maid of honor. She wore a street length dress of orchid taffeta with a lace bodice and bow in the back, a pillbox hat with blusher

veil and shoes dyed to match. She carried a bouquet of white mums and stephanotis with orchid tulle. Dressed identically with Miss Penka were the bridesmaids Shirley Slevert of Frankfort and Elaine Artman of Matteson.

Flower girls were Jody Schofield and Tamara McCullough, nieces of the bride. They wore full skirted short dresses of white nylon with embroidered overskirts, hats to match and baskets filled with red rose petals.

Donald Schofield, brother of the bride, attended as best man, and ushers were Jim Schofield and Marshall Penka. Ringbearer was Michael April.

Mrs. Schofield, mother of the bride wore an aqua crepe sheath with beige accessories and a pink and white baby rose corsage. The bridegroom's mother, Mrs. Penka, wore a figured toupe sheath with matching accessories and a pink and white baby rose corsage.

Following a three week honeymoon thru the southern states and Mexico, the newlyweds are now at home at 11508 - 192nd st., Mokena.

Await Word To Begin Work Resurfacing White St.

State highway and Frankfort village officials are awaiting word from Springfield that will start work on the resurfacing of White street.

White street is a concrete roadway and it is to be resurfaced with blacktop. The state awarded a contract for the job last week and the New York Central railroad is busy now in raising its tracks that cross White street in conformity with the new grade.

Mayor George Sangmeister called the district highway office at Elgin Tuesday to see if he could learn when work was to be started and was told that they were waiting on word from Springfield. If the mild weather continues it was hoped that the resurfacing would be done this fall.

The village board has instructed Engineer Robert Hamilton to draw plans and specifications for extension of a water main to Community park so the village can get bids to really determine the cost of such a project.

James Geuther and Lynn Kohlman, representing the Frankfort Lions club, appeared before the board Monday night to enlist the cooperation of that body in bringing a sufficient flow of water to the park that the Lions can proceed with their plans for a combination tennis and basketball court and ice skating rink.

Trustee Milton Subbert pointed out that the laying of an inch and a half or two inch line would be of no value when development of the town to the west made water service imperative. This area to the west is largely marked for indus-

trial use and will need water, it was said, as would any housing development in that direction.

The practical thing, it was agreed, would be to run a six-inch main out to the park from Oregon st. and later, when needed, the line could be carried on to the west. Having a hydrant in the park, it was pointed out, would also serve to clear the lines in that area of rusty and dead water.

The board adopted an ordinance licensing coin operated machines and fixing the fee at the same rate charged by the county, \$25 per machine. In the case of pinball machines only those that have no payoff will be permitted.

The question of changing from oil to gas heat in the village hall and pump house was discussed but action was deferred until later when the board has more details.

It was also decided by the board to enforce the ordinance that bans the keeping of poultry, rabbits, horses cows and pigs within the village. Complaints have been made to the board of the presence of rats in some area and it was suspected that chicken feed and scraps thrown out for the poultry may be a lure for the rats.

The original ordinance which was passed some eight years ago allowed persons that had poultry or rabbits then to keep them but with the understanding that when that supply died off they were not to be replenished. Some of the board members are doubtful that chickens living within the village today are the original flocks. Chickens, they said, should live so long.
